

Autoweb Registration Instructions General Motors Cad Exchange (GCX)

Registration Preparation

Registering with Autoweb is easy. Customers should be prepared with a credit card or purchase order and have internet access. Telephone and fax access are preferred as well.

General Motors Specific Requirements

Customers should be prepared with their company's DUNs number, GM contact's name and information, and a GM Supply Power ID. Please note, a GM Supply Power ID and name are required in order to gain access to Autoweb. If you do not already have a GM Supply Power ID, please register first at www.gmsupplypower.com before submitting the Autoweb application.

On-line Autoweb Registration

1. Customer logs onto <https://adxi.Autoweb.net>
 - a. Existing Autoweb customers log in with Autoweb ID and password and skip to step #8 (*Subscriptions link*).
2. If NEW customer, select the "New Subscribers Click Here" link
3. On the New User SignUp page, select "Register a new Company or Site" link
4. Fill in Company, Contact, and Billing information and then click on the "Register Site" button
5. Confirm information is correct and hit the "Register Site" button again
6. Customer will see "Your Registration with Autoweb is Complete" page, **PRINT this page** for customer records
7. Click on "Annual Subscriptions" link
8. On the **Subscriptions page**, select the "Subscribe Now" button next to the General Motors CAD File Exchange (GCX) option.
9. On the "Supplier Site Registration" page, enter your company's DUNs number, your GM contact's name, location, and information, and your GM Supply Power ID number.
10. On the Payment Screen, **select payment type (Credit Card OR Purchase Order)**.
 - a. If paying via Credit Card, **choose the credit card type and hit "Submit."** The next screen will request your credit card information.
 - b. If paying via Purchase Order, **fax your Purchase Order to Autoweb at 248-601-7177**. Then contact Customer Service at 248-601-7160 to receive the **authorization code**. Hit the "Submit" button.
11. Autoweb Enrollment is complete!

For NEW customers to Establish Security/Encryption Keys

- The first time customers log on to Autoweb's Main Menu page, they will be prompted to establish security/Encryption Keys and password. *The Encryption Key password is distinct from the Autoweb log on ID and password and is not recorded by Autoweb for security purposes. When choosing the Encryption/Security password, be sure it is a memorable password and documented in a safe place.*
- New customers will be required to verify Java software is downloaded. Links and instructions are automatically provided to download the Java software upon initial log in.

Autoweb Customer Service, Registration Support & Training

- Autoweb's Customer Service is available to assist with Registration or Security/Encryption Key set up. Please call Customer Service at 248-601-7160, Monday through Friday 3:00 a.m. EST – 5:00 p.m. EST.
- Autoweb offers one hour on-line orientation sessions twice weekly (Tuesday's at 2:00 p.m. EST and Thursday's at 10:00 a.m. EST). To register for Autoweb training, please submit a request to Webinars@Autoweb.net with contact information and session preferences. Autoweb will reply with on-line meeting invitation information.
